

FIBERPANEL® PW (FRP) **Tough on the road, easy on the eyes.**

We can build you a powerful combination of beauty and brawn with our own FiberPanel® PW (FRP) side walls.

Durable and rugged, they provide your cargo with extra protection against dings, scratches, and long-term corrosion. Plus, the seamless, smooth exterior is ideal for customizing your truck body with graphics and wraps.

Supreme FiberPanel PW side walls deliver a:

Heavy-duty inner core that effortlessly handles abuse from heavy loads

Smooth outer surface to allow your branding to stand out

Larger interior for added storage space

White interior for a bright working environment
